Please read the following agreement carefully. After you have read this agreement, you may sign up for Central Virginia Bank's Internet banking product *CVB Online* by completing, signing, and forwarding to the Bank the Enrollment Form incorporated as part of this Agreement.

Agreement:

This Agreement, which includes the current applicable fees and charges and Enrollment Form, is the contract which establishes the terms and conditions that apply when you use Central Virginia Bank's Internet banking product "*CVB Online*" which permits electronic access to your accounts at Central Virginia Bank ("Bank"). By using *CVB Online* or permitting any other person to use *CVB Online*, you accept all the terms and conditions of this Agreement.

The terms and conditions of this Agreement are in addition to any deposit agreements, deposit account rules and regulations, fee schedules and disclosures for each of your accounts as they may change from time to time, (collectively, the "Deposit Agreement") as well as your other agreements with Bank, including any loan-related agreement or overdraft protection agreement.

This Agreement, together with the Enrollment Form, the Deposit Agreement, and any other documentation relating to other features of *CVB Online*, constitutes the entire Agreement between you and Bank with respect to subject matter of this Agreement, and there are no unwritten understandings or agreements as to these matters.

Definitions:

As used in this Agreement, the words "we", "our", "us" and "Bank" mean Central Virginia Bank. Bill Payment PIN is the password associated with the Bill Payment ID used to access Bill Payment. It can be changed on-line and must contain only numeric characters.

Account Ownership:

You may NOT designate any account for *CVB Online* that requires more than one signature for withdrawals. All account owners or authorized users MUST sign and return the Enrollment Form available at our web site or at any branch office of Central Virginia Bank before access to your accounts through *CVB Online* is granted.

The provisions of this paragraph apply if any of your accounts with Bank is a joint account. Each holder of a joint account who accesses *CVB Online* is jointly and severally bound by this Agreement. Each of you acting alone, under separate, assigned *CVB Online* ID and PIN, may perform transactions, pay bills, obtain information, change payments or transfers, terminate this Agreement or otherwise transact business, take actions or perform under this Agreement. We are not required to obtain the consent of or notify either of you about the actions of the other. However, each of you will only be permitted to access accounts for which you are an owner or Authorized User. Each of you individually releases us from liability and agrees not to make a claim or bring any action against us for honoring the instructions of the other or of any Authorized User authorized to use *CVB Online*. Each of you agrees to indemnify and hold us harmless from any and all liability (including, but not limited to, reasonable attorney's fees) arising from any such claims or actions.

Access:

To use *CVB Online*, you must have at least one account at Bank, a computer, access to the Internet and an E-mail address. You must have a checking account to utilize the Bill Payment Service feature. To access *CVB Online*, you must use the *CVB Online* system ID or other means of access we establish, together with a PIN of your choosing. To access the Bill Payment Service, you must first have an established *CVB Online* account, be logged on to *CVB Online*, and use the Bill Payment ID or other means of access established by the Bill Payment Service provider together with a PIN of your choosing. Anyone to whom you give your *CVB Online* ID and PIN, and your Bill Payment ID and PIN, or other means of access will have full access to your accounts even if you attempt to limit that person's authority.

When the bank receives the completed Enrollment Form and subsequently verifies the necessary information, your account(s) will be set up for full access on *CVB Online* and you will be mailed a temporary system ID and PIN. Access to your accounts through *CVB Online* will be based upon the identification of account owners and authorized users as specified by you on your Enrollment Form and verified to the Bank's records. Changes to account information must be communicated to us in writing. We undertake no obligation to monitor transactions through *CVB Online* to determine that they are made on behalf of the account owners and authorized users.

System Services:

You can use *CVB Online* to: check the balance of your Bank accounts, view Bank account transaction histories, transfer funds between your Bank accounts, order checks, and pay bills from your Bank accounts in the amounts and on the dates requested. Please read all online instructions carefully as all features require the submission of the completed Enrollment form to us by mail or in person. Additional services and enhancements to existing services may be added by us from time to time without prior notice. Account balances may have been adjusted from the previous day's ending balance by the amount of online memo transactions such as current or pending in-person teller, ATM, debit, POS or ACH transactions not yet officially posted to your account.

Hour of Access:

You can use *CVB Online* seven days a week, twenty-four (24) hours a day, although some or all services may not be available occasionally due to emergency or scheduled system maintenance or events beyond our control. We agree to post notice of any extended or unusual periods of non-availability on the *CVB Online* website.

Your Password (PIN):

For security purposes, you are required to change your PIN upon your initial login to *CVB Online*. You determine the PIN you will use and the identity of your PIN is not communicated to us. You agree that we are authorized to act on instructions received under your PIN. You accept responsibility for the confidentiality and security of your PIN and we strongly suggest you change your PIN regularly. Upon three (3) unsuccessful attempts to use your PIN, your access to *CVB Online* will be locked. To re-establish your authorization to use *CVB Online*, you must contact the Bank to obtain a new temporary PIN. We recommend that you create a PIN that utilizes both upper and lower case alpha and numeric characters for purposes of security. Your PIN_ should not be associated with any commonly known personal identification, such as social security numbers, address, date of birth, names of children and should be memorized rather than written down.

Security:

You understand the importance of your role in preventing misuse of your accounts through *CVB Online* and you agree to promptly examine your statement for each of your Bank accounts as soon as you receive it. You agree to protect the confidentiality of your PIN and login ID, which are intended to provide security against unauthorized entry and access to your accounts. You understand that personal identification by itself or with information related to your accounts may allow unauthorized access to your account. Data transferred via System is encrypted in an effort to provide transmission; however, you need a 128-bit encryption device on your computer browser for optimum security. Notwithstanding our efforts to ensure that *CVB Online* is secure, you acknowledge that the Internet is inherently insecure and that all data transfers, including electronic mail, occur openly on the Internet and potentially can be monitored and read by others. We cannot and do not warrant that all data transfers utilizing *CVB Online* or e-mail transmitted to and from us, will not be monitored or read by others.

Fees and Charges:

Currently, there are no fees for accessing your accounts through *CVB Online*. However, fees as described in the applicable product or account disclosure and listed in the current Fee Schedule to the Deposit Agreement may apply to services ordered online. The bill payment service, normally \$5.95 per month plus \$0.30 for each payment transaction in excess of fifteen (15) per month, is now available with no monthly or payment transaction fees. If you do not use the bill pay service for a ninety (90) day period of time, the Bank may terminate this service. All fees applicable to your accounts, including but not limited to NSF (non-sufficient funds) fees as listed in the fee schedule to the Deposit Agreement, shall continue to apply. The Bank reserves the right to amend these fees, and to set new fees, from time to time. You agree that all such fees and charges will be automatically deducted from the checking account designated as "Primary Checking Account" on your Enrollment Form. If you close your Primary Checking Account, you must contact us in person, by phone or in writing immediately to designate another account as your Primary Checking Account. You agree to pay any additional reasonable charges for services you request which are not covered by the Agreement. You are also responsible for any telephone, Internet service, satellite or other such associated fees you incur in connection with your use of *CVB Online*.

Posting of Transfers:

Transfers initiated through *CVB Online* before 5:00 PM (Eastern Time) on a business day are posted to your account the same day, providing funds are available. Transfers completed after 5:00 PM (Eastern Time) on a business day, or anytime on a Saturday, Sunday or a bank holiday, will be posted on the next business day, providing funds are available.

Overdrafts (Order of Payments, Transfers and other Withdrawals):

If your account has insufficient funds to perform all electronic funds transfers (on-line transfers, Bill Payment, etc.) you have requested for a given business day, then:

- a. Electronic funds transfers involving currency disbursements, like ATM withdrawals, will have posting priority;
- b. Electronic funds transfers initiated through *CVB Online* which would result in an overdraft of your account may, at our discretion, be cancelled, unless you have an overdraft line of credit with sufficient available credit which would result in an advance against such line of credit sufficient to pay the item(s) in question; and
- c. In the event the electronic funds transfer initiated through *CVB Online* that would result in an overdraft on your account are not cancelled, overdraft charges may be assessed pursuant to the terms of the Deposit Agreement.

Limits on Amounts and Frequency of System Transactions:

Your ability to transfer funds from certain accounts, such as money market accounts and savings accounts, is limited by federal law and regulation and by the Deposit Agreement. You should refer to the Deposit Agreement for legal restrictions and service charges applicable to excessive withdrawals or transfers and any applicable penalties. Electronic Funds Transfers made using *CVB Online*, including bill payments, are counted against the permissible number of transfers described in the Deposit Agreement. If a hold has been placed on deposits made to accounts from which you wish to transfer funds, those held funds are unavailable until the expiration of the hold.

CVB Online Bill Payment Service:

You must designate the following information in order to have *CVB Online* Bill Payment Service: the complete name of the payee, your account number with the payee and the payee's remittance address, all exactly as shown on the billing statement or invoice, the amount of the payment and the date you want the payment to be debited from your account, all payments will be deducted from your Primary Checking Account. If the date you want the payment to be debited from your account is not a business day, your account will be debited the next business day. By using the *CVB Online* Bill Payment Service feature, you agree that, based upon instructions received under your PIN, we can charge your designated account by electronic transfer, "no signature required draft," or by debiting and remitting funds on your behalf. You also agree that fees associated with *CVB Online* Bill Payment Service will be charged to your Primary Checking Account as designated on your Enrollment Form. You should be aware that the monthly charge(s) for *CVB Online* Bill Payment Service will be deducted from your Primary Checking Account, generally within the first fifteen (15) days of the month following the month of service. We reserve the right to refuse to pay any payee designated by you. If we do so, the Bank will notify you promptly. The Bank reserves the right to terminate or deny Bill Payment Service.

Scheduling System Payments:

All Bill Payment Service payments should be scheduled ten (10) business days in advance of when you want the payment to actually be posted at the payee. If the payee is to be paid by paper, you understand and agree that paper checks are mailed to the payee and the payee may not receive the payment until five (5) to eight (8) business days after the date the payment is debited from your account. If the payee is to be paid electronically, you understand and agree that the payee may not receive the payment until seventy-two (72) hours after the date the payment is debited from your account. You understand and agree that we are not responsible for the timely delivery of mail or the improper transmission or handling of payments by a third party such as the failure of the bill payment payee to properly post a payment to your account or if you do not have sufficient funds in your designated Bank account on the payment date.

Any payment made through *CVB Online* Bill Payment service requires sufficient time for your payee to credit your account properly. To avoid imposition of finance charges or other charges by the payee, you must authorize and schedule a payment on a date sufficiently in advance of the due date of your payment, keeping in

mind the time frames set forth in the preceding paragraph. Bank shall not be responsible for any charges imposed or other action taken by a payee resulting from a late payment, including but not limited to finance charges and late fees.

Funds must be available in your designated Bank account on the scheduled payment date. If your Bank account does not have sufficient funds on such date, the payment will be processed as any other non-sufficient funds item with all applicable charges, as provided in the Deposit Agreement. You will be notified by phone, e-mail, or postal mail, but Bank shall have no obligation or liability if it does not complete a transfer or payment because there are insufficient funds in your Bank account to process the transaction. In all cases, you will be responsible for either making alternate arrangements for the payment or rescheduling the payment through the Bill Payment Services feature of *CVB Online*. In the event you have insufficient funds to make some, but not all, of the bill payments scheduled for a particular date, Bank may use such method as Bank, in its sole discretion, may elect in determining which payments to complete.

Pre-authorized Credits:

If you have arranged to have direct deposits made to any of your accounts at least once every sixty (60) days from the same person or company, you may contact us at 1-888-282-4030 during normal business hours to find out whether or not the deposit has been made.

How To Cancel A Bill Payment:

To cancel a bill payment that you have scheduled through System, you **must cancel the payment online via CVB Online Bill Payment System** (by following the onscreen instructions) before 10:00 PM (Central Time) **on the business day the payment is scheduled to be debited from your account**. Once the bill payment has been debited from your account, **you cannot cancel or stop a bill payment which has been paid electronically**.

You may be able to stop a Bill Payment System bill payment paid by paper draft by contacting Bill Payment Customer Service by telephone at 1-800-825-4321, Monday through Friday 7:00 AM to 6:00 PM (Central Time) before the paper draft has cleared. You will have to contact Bill Payment Customer Service by telephone to determine if the paper draft has cleared. If the paper draft has not cleared, Bill Payment Customer Service will, within a reasonable amount of time, process your stop payment request. Bill Payment Customer Service will notify you if the paper draft has already cleared. To be effective, this type of stop payment request **must** precisely identify the name of the payee, the payee assigned account number, the amount and scheduled date of the payment, and the ID number from the Bill Payment View Posting screen. The processing fee outlined in the Fees and Charges section of this Agreement will be applicable whether the paper draft has been paid or not. The fee will be deducted from your designated Primary Checking Account. This processing fee is different from, and in addition to, the fee for stopping a Bill Payment System bill payment paid by paper draft.

Periodic Statements:

All *CVB Online*-originated transactions will appear on the periodic account statement(s) we provide or otherwise make available to you for your account(s). You will receive a periodic statement for each account's cycle in which an electronic funds transfer has occurred. You agree to notify us promptly if you change your address or if you believe there are any errors or unauthorized transactions on any statement or statement information.

Change In Terms:

We may change any term of this Agreement at any time. If the change would result in increased fees for any *CVB Online* service, increased liability for you, fewer types of available electronic funds transfers or stricter limitations on the frequency or dollar amount of transfers, we agree to give you notice at least thirty (30) days before the effective date of any such change, unless immediate change is necessary to maintain the security of an account or our electronic funds transfer system. We may post any required notice of change in terms on the Bank's website or forward it to you by e-mail or postal mail. If the advance notice of the change is not

required, and disclosure does not jeopardize the security of the account or our electronic funds transfer system, we will notify you of the change in terms within thirty (30) days after the change becomes effective. Your continued use of *CVB Online* indicates your acceptance of the change in terms. We reserve the right to waive, reduce or reverse charges or fees at our sole discretion in individual situations. You acknowledge and agree that the applicable deposit account agreements and disclosures govern changes to fees applicable to specific accounts. You also agree to accept notification on any and all changes to these accounts by e-mail.

In Case of Errors or Questions About Your Electronic Transfers, Including Bill Payments:

Contact us as soon as you can if you think your periodic paper or electronic statement is wrong, or if you need more information about a transfer listed on either statement. You may contact us for this purpose by any of the methods stated below in the section titled "Communications Between Bank And You". We must hear from you no later than sixty (60) days after we sent you the **FIRST** paper statement or electronic statement upon which the problem or error appeared. When you contact us:

- a. Tell us your name and account number
- b. Describe the error or transfer you are unsure about and explain as clearly as you can why you believe it is an error or why you need more information
- c. Tell us the dollar amount of the suspected error
- d. If the suspected error is related to a bill payment made via *CVB Online* Bill Payment Service, tell us the account number used to pay the bill, payee name, the date the payment was sent, payment amount, Bill Payer ID number and the payee account number for the payment in question.

If you contact us by telephone or by e-mail, we may require that you send us your complaint or question in the form of a paper writing by postal mail or fax within 10 business days.

We will determine whether an error has occurred within ten (10) business days after we hear from you and will correct any error promptly. If we need more time, however, we may take up to forty-five (45) days to investigate your complaint or question. If we decide to do this, we will provisionally credit your account within ten (10) business days for the amount you think is in error, so you will have the use of the money during the time it takes us to complete our investigation. If we ask you to put your complaint or question in writing and we **do not** receive it in the form of a paper writing within ten (10) business days, we may not provisionally credit your account.

We will tell you the results within three (3) business days after completing our investigation. If we find that there was no error, we will send you a written explanation. You may ask for copies of the documents that we used in our investigation. If we have made a provisional credit, a corresponding debit will be made from your account.

If your notice of an error involves a point-of-sale (POS) or international transaction, we may take up to ninety (90) days to investigate your complaint or question.

If your notice of an error involves a transaction that occurred during the first thirty (30) days after the first deposit to the account, the applicable time periods are twenty (20) days and ninety (90) days respectively.

Our Liability For Failure To Make A Transfer or For Making an Erroneous Transfer:

- b. We will direct to the proper payee any previously misdirected payment or transfers, and
- c. We will pay any late fees assessed due to this error.

You agree to assist us, as necessary, in our efforts to recover any misdirected funds and otherwise comply with your payment instructions. If we cause an incorrect amount of funds to be credited to your account, you agree that we may take any action appropriate to correct the error and prevent you from being unjustly enriched.

We will **not** be liable in the following circumstances and as otherwise provided in this Agreement and in the Deposit Agreement:

- a. If through no fault of ours, you do not have enough money in your account to make a transfer
- b. If a legal order or other legal process directs us to prohibit withdrawals from the account
- c. If your account is closed, frozen or subject to a hold
- d. If the transfer would cause your balance to go over the credit limit of an established line of credit or the credit limit for any credit arrangement set up to cover overdrafts
- e. If you or anyone authorized by you commits any fraud or violates any law or regulation
- f. If any electronic terminal, telecommunication device or any part of *CVB Online* electronic funds transfer system is not working properly and this problem should have been apparent to you, or we advised you of such malfunction, when you started the transfer
- g. If you have not provided us with complete and correct payment information for Bill Payment Service, including without limitation, the name, address, your payee-assigned account number, payment date and payment amount for the payee on a bill payment
- h. If you have not properly followed the on-screen instructions for using *CVB Online*
- i. If circumstances beyond our direct control (including, but not limited to fire, flood, interruption of telephone or other communication service, etc.) prevent the transfer, despite reasonable precautions that we have taken
- j. If you pay a bill too late to arrive at the payee's place of business on a timely basis
- k. If your transfer or payment authorization terminates by operation of law
- l. If you become aware of facts which suggest that someone has accessed your accounts without your permission and you fail to notify Bank immediately
- m. If we have a reasonable basis for believing that unauthorized use of your password or account has occurred or may be occurring
- n. If you default under this Agreement, the Deposit Agreement, a credit agreement or any other agreement with us or if you or we terminate this Agreement

The foregoing shall constitute our entire liability and your exclusive remedy. In no event shall we be liable for any direct, indirect, special, incidental, consequential, or exemplary damages, including lost profits (even if advised of the possibility thereof) arising in any way out of the use of *CVB Online*. Further, in no event shall the liability of Bank and its affiliates exceed the amounts paid by you for the services provided to you through *CVB Online*.

If you do not contact us within two (2) business days after you learn of the loss, theft, compromise or unauthorized use of your password, and we can prove we could have stopped someone from using your password to access your accounts without your permission if you had told us, you could lose as much as \$500.

Also, if your periodic statement shows transfers that you did not make, contact us at once. If you do not tell us within sixty (60) after the statement was mailed or provided to you, you may not get back any money you lost through transactions made after the sixty (60) day time period if we can prove that we could have stopped someone from taking the money if you had told us in time.
